Boys & Girls Club of Brattleboro

Summer Camp at The Boys & Girls Club of Brattleboro is going to be a little different this year. In past years we had theme weeks, but this year every week of camp will feature a little bit of everything, including swimming, playing games, hiking, canoeing, skate boarding, with themed days each week. These themes may include wilderness, water, sports, arts & crafts etc.

The exception is our three weeks of special skate camp. Skate camp will focus on skate boarding and roller blading and mostly only skating. Skate campers can be any age and should be prepared for an opportunity to go swimming during the week. Also, weather permitting they will go to an off-site skate park once during the week.

All activities will be age-appropriate and centered on having fun.

The 6-10 year old camps and the 9-14 year old camps are capped at 12 campers, with 2 adult staff and a Jr. staff for each group. This assures that everyone will have fun and be safe.

Our Summer Camp Dates:
